South Bruce Community & Business Association – June 18, 2014 General Meeting

The SBCBA Council, members and guests met at 7:00 PM at Buddsteel. There were 11 participants.

At approximately 7:30 PM Les started the evening by welcoming everyone and introducing Elaine who began with a very nice and informative tour of her facility and product. Elaine even had signs made up that were offered to each. Thank you Elaine!

We moved on to the Municipal building where Sharon Chambers, welcomed us in the Council Chambers.

Les gave another welcoming introduction to those in attendance. He talked about the new Business Directory and the updated Website.

Then we heard from Jill Roote on the Business Enterprise Center. What it is up to and the services that it provides students and adults alike. How to start a business, along with various Free seminars/workshops in Bruce county. If you'd like any further information on this you can email her at smallbiz@saugeenshores.ca or check out their webpage at www.saugeenshores.ca. This was a very informative presentation. I'm sure we can all use a little advice and it's FREE ☺ Thank you Jill.

Peter put the website on the overhead after the discussion, and pointed out its new highlights as well as showing Elaine how to edit it as required.

Thank you again Elaine and Jill for an informative, eventful and enjoyable evening.
